

“Calm and Safe” Holidays

Fully committed to the well-being of our guests, our employees, and the communities we serve.

This current global crisis is affecting us all, and we remain on alert, closely monitoring the newsfeed and the rapidly changing events across the world. We adapting accordingly to the World Health Organization. We will continuously update our information and actions due to the Covid -19 effects. At the moment we training and mobilizing our colleagues through webinars in order to be ready to open our wonderful hotels with minimal risk.

Greece has become a model in the management of this pandemic, acting quickly and efficiently. Giving now the opportunity to welcome our beloved guests in a country that is historic, beautiful and above all safe.

The hotels are fully complied with the National operating protocol and complement with actions the absolute security of our guests and our staff, without losing the sense of the relaxation and the Cretan hospitality.

An aerial photograph of a large, winding swimming pool at a resort during sunset. The pool is surrounded by numerous palm trees, lounge chairs, and large umbrellas. In the background, a multi-story hotel building is visible against the orange and yellow sky. A semi-transparent blue rectangle is overlaid on the right side of the image, containing text.

Our Plan

“Hygiene is
two thirds
of health”

STELLA
HOTELS COLLECTION

Critical General Points

- We are constantly monitoring and implementing all government regulations and recommendations regarding the fight against Covid-19.
- We ensure the implementation and the respect of the handling protocols in case of suspicion of contagion to the Covid-19.
- We ensure the safety of our lovely guests by providing good training to our staff on all required hygiene measures.
- We provide personal protective equipment to our staff and a separate hygiene kit is always available at our reception.
- We communicate clearly, on all preventive measures against Covid-19 that our company takes, through our staff, special flyers and infographics.
- We clean and disinfect all public areas with a specific program
- Sanitization Systems in all public areas
- Doctor on call 24 hours

- Contactless payments

Public areas

STELLA
HOTELS COLLECTION

- We are cleaning surfaces with increased frequency.
- Hand sanitizing stations are being installed at hotel entrances, at our front desks, our elevator banks, and meeting spaces
- Open doors everywhere for the best possible natural air circulation of the public areas
- In elevators, guests enter by room or family.
- In each area, there is a specific capacity number.

Guest Rooms

- We reinforce the cleaning of all guest rooms.
- Supervise the replacement of linen and sheets.
- As far as possible, rooms will be kept for 24 hours and will be presented to new guests afterward.
- We use steam cleaners to clean and disinfect rooms.
- Installing a disposable cover on the TV and air conditioner controls.
- Opening doors and windows for natural ventilation of the space daily

Gastronomy is our Passion!

- The buffets will be maintained with more individual portions and live cooking actions.
- On line bookings at themed restaurants, via app
- Contactless menu application
- Room Service at all meals (on request)
- The barrier measures will be respected by the staff and guests.
- Mask and gloves are mandatory serving yourselves from the buffet.
- Hands' disinfection will be mandatory upon entry.
- The tables will be disinfected on each sitting.
- Cutlery will be on the tables.

Water Park

- We strengthen the cleaning and disinfection of common areas (including swimming pools, playgrounds, food & beverage outlet, and entertainment areas) and adapt them to the health authorities' requirements and recommendations.
- Qualified lifeguards supervise the pools offering 100% safety to all who swim and have fun! They also are responsible for the social distance between the people that should be (1,5) meters apart.
- We reinforce the cleaning and disinfect of the sunbeds after each use during the day. A towel will be placed on the sun lounge under the responsibility of the guest.
- We Adapt the entertainment program (including children's and teenagers' club(s)) and the opening of services and facilities (including swimming pools) to health requirements and government decisions.
- The minimum distance between the poles of the umbrellas is defined as a length of four (4) meters while ensuring the open umbrellas at least one (1) meter apart.

Spa

- All measures to prevent the spread of the Covid – 19 are valid.
- Linen are all presented in a separate nylon package
- Contactless menu application
- Treatments only by appointment
- The barrier measures will be respected by the staff and guests.
- At the end of each treatment the room is cleaned and disinfected based on a special cleaning program.
- Hammam, sauna, **will not be available**

Animation and Sports

- Animation program will run in reduce operation
- 4 Live Shows per week in the amphitheater with respect in the social distance of 1,5m per guest.
- Live music in our bars
