Your dream wedding

We love creating lifetime memories. Whether you've dreamed of a seaside wedding or a private romantic ceremony with your partner, Stella Island is the ultimate place to experience the most unforgettable wedding.

Our hotel can organize Informal & Civil Weddings, Greek Orthodox services and Renewal of Vows.

Civil Ceremony

A popular type of ceremony for a wedding abroad is the civil marriage. The closest Civil Marriage office is in Hersonissos town. The ceremony is conducted at the Town Hall from Monday-Friday. The certificate is legally binding around the world and has no connection to any religious faith.

Religious Ceremony

Our Greek Orthodox white chapel of St. Andreas is located inside Stella Island in a peaceful environment while the church of St. Dimitrios is located by the sea where a local priest will perform the ceremony.

Blessing Ceremony

This type of Ceremony is usually combined with civil wedding at the Town Hall in Crete or at your home country.

The couple is exchanging vows of endless love in romantic scenery outside our church, surrounded by their closest family and friends. The vows are being recited by one of our Managers.

After the ceremony, celebrate your new beginning with a wedding reception in one of our A la carte restaurants offering Cretan & International delicacies and exceptional service. A delicious choice of wedding menus is designed by our Executive Chef.

Our experienced Wedding planning team, with care and attention to detail will make your dream wedding day, reality!

From booking the wedding ceremony, arranging the flower decoration, music, photographers, to organizing wedding reception & parties.

Take advantage of our tailor made Wedding packages that include the essential elements for your wedding. Additional services can be added to the packages according to your personal requirements and number of guests.

An advice by our experts

Give your personal touch on the decoration by selecting a wedding color, specific flower or a wedding theme (such as vintage, romantic, sea/beach inspired). Adding your personal signature on small details will definitely enchain your wedding experience and the overall appearance of the venue.

Please note that the wedding options are complete packages and items are not interchangeable. In the event that you decide not to use one of the services, no refund or alternative will be given.

All the documentation needed or local fees for official weddings (civil or religious) are not included in the wedding packages (extra cost).
